2 de.

Fragmentary Arabic manuscript with multiple columns of text. The script is a cursive style, likely Maghrebi or Andalusī. The text is heavily damaged, with significant portions missing and the remaining fragments showing signs of age and wear.

Visible fragments of text include:

- Top left: *...الذي...*
- Top center: *...من...*
- Top right: *...على...*
- Middle left: *...من...*
- Middle center: *...من...*
- Middle right: *...من...*
- Bottom left: *...من...*
- Bottom center: *...من...*
- Bottom right: *...من...*
