### Correction to: Clinical and Translational Oncology <https://doi.org/10.1007/s12094-023-03203-8>

In the sentence beginning “Therefore, tucatinib–lapatinib–capecitabine...” in this article, the text “tucatinib–lapatinib–capecitabine” should have read “tucatinib–trastuzumab–capecitabine” and the correct sentence should read as follows:

Therefore, tucatinib–trastuzumab–capecitabine may be a good option for patients treated with previous T-DM1 and/or T-Dxd [II, B].

The original article has been corrected.

The original article can be found online at <https://doi.org/10.1007/s12094-023-03203-8>.
