

# BENEDICTUS PAPA XIV.

*Ad futuram rei memoriam.*

Um Nos nuper ad honorem Sanctissimæ, & Individuæ Trinitatis, ad exaltationem Catholicæ Fidei, & Christianæ Religionis incrementum, de Venerabilium Fratrum nostrorum S. R. E. Cardinalium, ac Patriarcharum, Archiepiscoporum, Episcoporumque in Alma Urbe nostra existentium consilio Beatum JOSEPHUM A LEONISSA, Ordinis Fratrum Minorum Sancti Francisci Cappuccinorum nuncupatorum professorem, auctoritate Nobis à Domino tradita, Sanctum esse decreverimus, & definiverimus, ac Sanctorum Cathedralo solemnî Ritu adscripserimus; & sicut accepimus, dilecti Filii Fratres, dilectæque in Christo Filia: Moniales dicti Ordinis, solemnitatem, seu festivitatem Canonizationis ejuldem Sancti JOSEPHI A LEONISSA in suis respectivè Ecclesiis celebrare intendant: Nos ad augendam Fidelium Religionem, & Animarum salutem cœlestibus Ecclesiæ Theauris pia charitate intenti, omnibus, & singulis utriusque Sexus Christifidelibus verè poenitentibus, & confessis, ac Sacra Communione refectis, qui Ecclesiis quorumcumque Conventuum, ac Monasteriorum, tam Fratrum, quam Monialium dicti Ordinis ubicumque locorum existentes, die quo solemnitas, seu festivitas Canonizationis hujusmodi ibidem respectivè celebrabitur, vel aliquo ex septem diebus immediatè subsequētib; devotè visitaverint, ac ibidem pro Christianorum Principum concordia, hæresum extirpatione, ac Sanctæ Matris Ecclesiæ exaltatione, pias ad Deum preces effuderint, plenariam semel dumtaxat per unumquemque Christifidelem lucrificandam omnium peccatorum suorum indulgentiam, & remissionem misericorditer in Domino concedimus. Præsentibus pro unica vice quoad singulas Ecclesias prædictas valituris. Volumus autem, ut, si pro impetratione, præsentatione, admissione, seu publicatione præsentium, aliquid, vel minimum, detur, aut spontè oblatum recipiatur, præsentibus nullæ sint, quodque earundem præsentium Literarum transumptis, seu exemplis etiam impressis, manu alicujus Notarii publici subscriptis, & sigillo personæ in Ecclesiastica dignitate constitutæ munitis, eadem prorsus fides in judicio, & extra adhibeatur, quæ adhiberetur ipsis præsentibus, si forent exhibitæ, vel ostensæ. Datum Romæ apud Sanctam Mariam Majorem sub Anno Piscatoris die xxvij. Julii M.DCC. XLVI. Pontificatus Nostri Anno sexto.

*D. Cardinalis Passionens.*

ROME: Ex Typographia Reverendæ Cameræ Apostolicæ. M.DCC.XLVI.

Joseph Rafael Forteza, Notario Apostolico por autoridad Apostolica, y vezino de esta Corte, doy fe, que el M. R. P. Fr. Ildefonso de Toro, Religioso, y Procurador de el Orden de Capuchinos de ella, exhibió ante mí la Bula original, de que es copia la antecedente, por la que consta estár pasada dicha Bula por el Consejo de la Santa Cruzada en siete de Setiembre pasado de este presente año. Y para que conste de su pedimento, doy el presente, que signè, y firmè en Madrid à veinte y tres de Noviembre de mil setecientos quarenta y seis.

En testimonio ✠ de verdad,

*Joseph Rafael Forteza.*

# VII. MEDICINE

CHAPTER I. GENERAL PRINCIPLES

The study of medicine is a branch of natural science which deals with the diagnosis, treatment, and prevention of disease. It is a science which is constantly in progress, and which is based on the principles of anatomy, physiology, and pathology. The study of medicine is a branch of natural science which deals with the diagnosis, treatment, and prevention of disease. It is a science which is constantly in progress, and which is based on the principles of anatomy, physiology, and pathology.
