Dear Professor Martín Recuerda:

I am writing to tell you that I am in the process of doing a series of critical articles on your theater. An extensive study entitled "The Violent Dramas of Martín Recuerda" will be published by Hispanófila (Chapel Hill, North Carolina). Another study with the title "Martín Recuerda's Las arrecogías del Beaterio de Santa María Egipcíaca: A Contemporary Celebration of Mariana de Pineda and her Sisters," will be published by the Kentucky Romance Quarterly.

In addition, I have just completed a study called "Martín Recuerda's El engaño and the Primitive Christianity of Juan de Dios" which I plan to submit to the Revista de Estudios Hispánicos (University, Alabama). During my Sabbatical leave this year, I plan to do an extensive study of women in your theater.

Cordially,

Martha T. Halsey
